

If you drive your child to school . . .

Use the Wyndham Lake Drive Entrance located in the front of the school for drop off.

Arrive no earlier than 7:20 AM. No school personnel are available to supervise children prior to this time.

Be aware that most of our front loop traffic occurs between 7:30Am and 7:40AM each morning. Adjusting departure time from home by 5 minutes earlier, can help to reduce the tardy rate and many traffic violations.

Once you arrive, drive all the way around the loop and stop at the stop sign before discharging your child from your vehicle. School staff on duty will guide your child into the building.

Vehicles should never be parked in the main entrance loop since it is a fire lane. Visitors should park in the front lot if they need to enter the building.

Texting and /or using cell phones while driving on school property endangers our children.

Attention All Parents and Guardians

Please observe and follow all posted street signs and all traffic, parking and pedestrian laws.

The Henrico County Police Department frequently issues citations to those who disregard the traffic laws near our school.
